

Kuching Marathon 2026 – Event Cancellation Announcement

Dear participants, sponsors, partners, and members of the public,

It is with deep regret that the organisers of Kuching Marathon 2026, the Kuching Marathon Association (KMA), announce that the Kuching Marathon 2026 scheduled for **Sunday, 27 September 2026**, is **cancelled**.

This difficult decision is made in view of the **prevailing haze situation** affecting Kuching and surrounding areas. Since the onset of the haze earlier this month, the organiser has been **continuously monitoring the Air Pollutant Index (API)** readings and other environmental indicators while consulting relevant authorities and medical advisors. After careful assessment, the health and safety of all parties—including participants, crew members, volunteers, officials, medic teams and the general public—must take precedence.

To honour the commitment of our runners, **all registered participants may collect their finisher medal and finisher tee** starting **tomorrow** at **Plaza Merdeka Shopping Centre (Alfresco Area)**. Detailed collection schedules and instructions will be announced on our official social media platforms today.

KMA sincerely apologises for the disappointment caused and thanks everyone for your understanding, patience, and unwavering support. The safety and well-being of our community remains our utmost priority.

The Organising Committees of KM
